Drum Mapping References For All GoranGrooves Plugins and MIDI Loops

DRUM MAPS · https://library.gorangrooves.com/docs/drum-mapping-references-for-all-gorangrooves-plugins-midi-loops/

While most of our MIDI drum loops and virtual drum plugins follow the GM drum mapping standard as much as practical, that is not always possible. Here, you can find the exact drum mapping for each of our MIDI drum loop packages and the drum plugin they are compatible with by default.

All Drum Maps For Cubase
